

## SELF DRIVEN ACTIVITY

# REPORT OF Participation and Visit to India International Science Fair

Institution Innovation Council (IIC-SISTec-R) visited and participated in **India International Science Fair** organized at MANIT Bhopal from 21 Jan. to 24 Jan. 2023.

Around 60 students with 5 faculty members visited and it was a proud moment that two of our projects: Smart Door Lock and IoT-based Gas Safety Regulator from SISTec Ratibad Department of Electrical Engineering participated in the "**Indian International Science Festival**" at MANIT Bhopal. These two projects are the outcome of our in-house training modules on IoT and Drone Technology. The projects were mentored by faculties from the electrical engineering department, Ms. Kavita Kushwah and Dr. Aayush

Shrivastava respectively. The two teams presented the project in front of juries and many other delegates.

# **SAGAR INSTITUTE OF SCIENCE TECHNOLOGY & RESEARCH (SISTec-R)**

Affiliated to RGPV Bhopal and Approved by AICTE Delhi.
