

**IIC CALENDER ACTIVITY**

**REPORT OF VISIT  
TO  
INCUBATION UNIT B=NEST BHOPAL**

Institutional Innovation Council (IIC) at Sagar Institute of Science Technology and Research Bhopal organized online session VISIT OF “INCUBATION UNIT B-NEST BHOPAL” on 28<sup>th</sup> June 2022.

**Objective:**

The basic objective behind this visit was to make the students to:

- Understand the concept of Incubation centers,
- See the facilities provided by such centers,
- Understand the various prototypes of business models and their operations.
- Change perceptions from seeking job to creating the job.

### **About Incubation Unit:**

B-Nest Foundation is an Initiative by Bhopal Smart City Development Corporation Limited to promote entrepreneurial spirit and innovation. At B-Nest we create a culture of excellence and nurture the young entrepreneurs by providing them with mentorship & other required assistance they need to establish their entrepreneurial dream. B-Nest is an innovation house to budding start-ups in the city which will provide them with the best of the infrastructure and services to help promote their business ideas and turn start-ups into multinational organizations.

B-Nest offers Mentorship & Investors connect, Startup Credits and World Class Facility for Startups

### **Conclusion:**

The Incubation Centre aims to inculcate the entrepreneurship skills among students. Students are getting ready to face challenges and competition in the market. Students experienced the applications of theoretical concepts in practical approach.
