Headstart Network Foundation  
Program Head - Innovation Hub and  
Government Engagement

Institutional Innovation Council (IIC) at Sagar Institute of Science Technology and Research Bhopal organized online session “**Incubation Opportunities for Students and Faculties**” on 15<sup>th</sup> July 2022.

endeveours

### **Objective:**

The main objective of this workshop is to motivate faculty and students to become an entrepreneur and to give idea how to develop a startup ecosystem.

### **Expert of the session**

Mr. Mukesh Kestwal, Program Head-Innovation Hub & Government Engagement, Headstart Network Foundation in his remarks state that Institutions should give support to create awareness in Entrepreneurship education, motivate the students in developing their skills by organizing seminars, workshops, mentoring sessions etc and invite ideas from faculties and students in enriching the entrepreneurial eco system.

In the session he also focused on the areas where one should have the knowledge like Critical Thinking Skills, Problem solving solutions, Social benefits, Commercial Market, Sustainability and Innovation to become entrepreneurs. She also discussed about Startup India Initiative, ASPIRE Scheme, MUDRA bank Credit facilities to support small businesses and the need for startups to have Incubators/Accelerators.

### **Conclusion:**

The session gave an insight on the opportunities for students and faculty members who are in their early stage entrepreneurship. The faculty members and students those who are in the process of undergoing projects are proposing to apply for the funding through various agencies. The webinar ended with question answer session related to queries on business canvas model.

Around 50 participants including students and faculties join this live session.
