

SELF DRIVEN ACTIVITY

**REPORT OF SESSION
ON
TECHNOLOGY TRANSFER AND INTELLECTUAL PROPERTY**

The banner features logos for the Institution's Innovation Council and Sagar Group of Institutions (SISTec-Engg.) at the top. The main text reads: 'ORGANIZES INTERACTIVE SESSION ON Technology Transfer and Intellectual Property'. Below this, it states 'By Ms. Himani Vashist, Technology Officer, FITT - IIT Delhi'. A circular portrait of Ms. Himani Vashist is on the right. At the bottom left, a calendar icon indicates the date 'Date - 23rd July 2022' and time 'Time - 2.00 pm onwards'.

Institutional Innovation Council (IIC) at Sagar Institute of Science Technology and Research Bhopal organized online session “**Technology Transfer and Intellectual Property**” on 23rd July 2022.

Intellectual property rights especially patents **helps in increasing innovation and technology diffusion**. IPR protection help firms to undertake R&D and recoup associated costs related to encourage innovation.

Technology transfer (TT) is a collaborative process that allows scientific findings, knowledge and intellectual property to flow from creators, such as universities and research institutions, to public and private users.

Objective:

The main objective of this workshop is to aware the students with transforming ideas into opportunity, key elements in technology transfer

Expert of the session

Expert Talk on "**Technology Transfer and Intellectual Property**" by Resource Person Ms.Himani Vashist (Technology Officer, FITT -IIT Delhi). The conversation initiated with explaining the types of IPR namely patents, trademarks, and copyrights. She further went on to discuss in detail: transforming ideas into opportunity, key elements in technology transfer, technology transfer model licensing to industrial use, technology transfer process steps, and more.

The session was very much interactive and very fruitful too, as the topic was very much concerned about students' innovations and their submission so that they can protect their own rights too.

Conclusion:

The session was very much interactive and very fruitful too, as the topic was very much concerned about students' innovations and their submission so that they can protect their own rights too.

The session ended with question answer session related to queries on business canvas model. Around 120 participants including students and faculties attended the session.
