5th Edition of Smart India Hackathon

Sagar Institute of Science Technology and Research Bhopal (SISTec-R) conducted Internal Smart India Hackathon 2022 on 09th March 2022. A total of 16 teams participated in this internal hackathon taking problem of various organisations.

The teams presented their ideas on the selected problems taken from Smart India Hackathon (SIH) 2022 portal and elaborated on the concept they are going to use to develop the solution for the identified problem.

The Jury members posed questions regarding the concept used by students to develop the solution to the selected problems. Based on the discussion of students on the given problem the jury has evaluated the solutions presented on the following parameters i.e. benefit to society, team coordination, following the objective of the concerned SIH problem, and Feasibility.

Objective:

The main objective to conduct this event is to check the concept and idea of the teams. Based on the discussion of students on the given problem the jury has evaluated the solutions presented on the following parameters i.e. benefit to society, team coordination, following the objective of the concerned SIH problem, and Feasibility.

Following Teams are verified for the participation in the SIH 2022.
