**INNOVATION
Awareness Program**

Innonext Journey

Date - 23/11/2021

Time - 2.30 pm to 1.00 pm

**Startup credits &
Incubation Opportunity**

Institutional Innovation Council (IIC) at Sagar Institute of Science Technology and Research Bhopal organized offline workshop session “**Innonext 2.0 – Awareness Session on Innovation**” on 23 Nov. 2021 in association with B-Nest Incubation center Bhopal.

Innovation skills are important tools to cultivate as a professional in an organization or as an entrepreneur. But how do you learn or continue developing your innovation skills?

This workshop helps to assess the social impact of science support measures and to identify and study the impact of scientific and technological knowledge on society.

Objective:

The main objective of this session how to innovate and respond to change as well.

Details of Event:

SISTec being the proud Eco System Partner for the Innonext Challenge 2.0, organized this event to create awareness among the students. The challenge is organized to take student innovations to next level and bring out the entrepreneurial spirit among them.

In this regard, this awareness program was organized on the college campus with Guest Speakers from B-Nest Incubation Center Bhopal — Mr. Sankalp Shrivastav and Mr. Vedic Pandya. Dr. Manish Billore (Principal, SISTec Ratibad) and Mr. C. K. Pardhi (President, IIC SISTec-R) welcomed the guests with a sapling.

The guest then gave insights into the Innonext Challenge and how it will help the students right from the ideation stage to the execution stage. The challenge winners will be eligible for combined prizes worth ₹2,25,000 and startup credits worth \$35000. They also gave details about the support the students will get from the B-Nest Incubation Center for the Incubation Opportunity.

He initially started off by defining the words entrepreneurship and gave a clear idea of the same. “Entrepreneurship is not a career” he quoted and explained in detail how an individual can launch his/her start-up. He put some examples of local entrepreneur who started their business and become successful like **Kabadiwala.com**, **gadirepair.com**.

This workshop provided a platform on the various challenges and possible remedies which will benefit and bring a positive transformation among the future entrepreneurs. business model.

Total 80 participants, including students and faculty, joined this offline session.
