“We must do far more to advance Sustainable Development Goal 4, to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.”  
— UN Secretary-General António Guterres

As a new year begins, now is the time to step up collaboration and international solidarity to place education and lifelong learning at the centre of the recovery and the transformation towards more inclusive, safe and sustainable societies.

Education is one of the most powerful things in life. Education gives us an understanding of the world around us and offers us an opportunity to use that knowledge wisely. Overall, education is the platform that makes it possible to defeat all barriers.

An online quiz event was successfully organised by the SISTec Corporate Training Team on 24/01/2021, celebrating the occasion of International Day of Education.

The event was exclusively conducted for our First Year students based on the syllabus covered till date along with GK questions.

A total 206 students enthusiastically participated in the event and It is a pleasure to declare that Toppers of the Quiz are

Ayushi Bodkhe - CSE from Ratibad campus

and Him Shrivass from Gandhi Nagar.

SISTec Training Team extends hearty congratulations to the winners.
