Outcome Based Program
STUDENTS VILLAGE VISIT
Exposure and Field Visit for Problem Identification

24/Nov/2021

Organised by :
Institutions Innovation Council
Sagar Institute of Science, Technology & Research, Bhopal

Institutional Innovation Council (IIC) at Sagar Institute of Science Technology and Research Bhopal organized a field visit to Kodiya Village under IIC activity “**Exposure and Field Visit for Problem Identification**” on 24th Nov 2021.

Objective:

1. To identify the problems faced in teaching-learning process by the school students and teachers.
2. To think on innovative solutions to the problems identified.

The activity conducted was on the theme “Village Visit for problem identification” as per the MHRD’s IIC Calendar activities. The field survey was conducted to identify the problem faced by the villagers in Kodiya Village, Bhopal. The problem identified by students are water supply, sanitation, drainage system, transportation, Govt School washroom and drinking water.
