Sagar Institute of Science, Technology & Research, Ratibad Campus, Bhopal**

Institutional Innovation Council (IIC) at Sagar Institute of Science Technology and Research Bhopal organized online session on “**Atmanirbhar Bharat – Opportunities and Challenges for Startup**” on **13th August 2021**.

Objective:

This webinar aims at discussing how the country can strengthen its economy and generate enough for itself through the Atmanirbhar Bharat program and deliberating about various opportunities available for self-reliance in India.

About Webinar

Atmanirbhar Bharat, which translates to 'self-reliant India' or 'self-sufficient India', is the vision of the Prime Minister of India Narendra Modi of making India "A *bigger and more important part of the global economy*", pursuing policies that are efficient, competitive, and resilient, and being self-sustaining and self-generating.

Expert for the Session:

The expert for the session Dr. Nishtha Tyagi Pachouri is an Innovator in training and mentoring professionals and students with 10 years in academics. Experienced in all aspects of classroom management, leadership, teamwork and time management. Effective communicator and motivator who identifies and leverages assets in candidates to reach organizational goals. Keen planner with expertise in Business management, change management and environment Incredible experience encompassing strategic management, organization development through devising culture building activities, talent acquisition & management, employee relations and CSR (Corporate Social Responsibilities), human resource management, marketing management etc

Outcome of the Workshop:

The speaker explained all about the opportunities for entrepreneurs under Atmanirbar Bharat Abhiyan elaborately. Likewise, he explained about Inducement of Agriculture, MSME's, and Industry to Restart, Revive, Run and Reach greater heights. He created awareness among the student's community which help them to identify the employment opportunities / entrepreneurial opportunities at large and thereby inclined the community to march towards self-Reliant and Sustained India.

Around **65 participants** including students and faculties join this live session.
