AbhiOshi Engineering Works

Institutional Innovation Council (IIC) at Sagar Institute of Science Technology and Research Bhopal organized a session on **November 25, 2022**, titled '**My Story- Motivational Session by Successful Entrepreneur/Startup**'.

Resource Person – Abhishek Goswami,

Fonder & Managing Director,
AbhiOshi Engineering Works

Objectives of the event:

Entrepreneurs bring creativity and ingenuity to address the challenges faced by their local communities. The objective of event is to have a one-one communication with the Entrepreneur. It will help in building Entrepreneurship Skills in students and to motivates them to think of becoming an entrepreneur.

Mr. Abhishek Choubey, Vice President IIC, who is the moderator for this event started the session with a warm welcome to all the attendees, introduced the guest speaker.

The expert speaker shared with the students that the simple innovations which social entrepreneurs can do with the help of inventions of their time was also shared with students as these can have more impact on the society and its issues too. He further encouraged the students to follow their passion according to their skills.

The Co-Founder & CEO of startups like **Abhishek Goswami**, Fonder & Managing Director, AbhiOshi Engineering Works shared his success story with the audience and his vision for the future of the startup.

He also gave insights on the importance of entrepreneurship and innovation in today's economy and encouraged the students to pursue their dreams.

Learning for the students: Students found the topic very interesting and asked relevant questions on issues associated with innovation and entrepreneurship. The students were very enthusiastic to know more from the resource person regarding her own journey.
