The Institutional Innovation Cell of Sagar Institute of Science Technology & Research, SISTec-R Ratibad Campus in collaboration with the Kalam Program for IP Literacy and Awareness (KAPILA) & National Intellectual Property Awareness Mission (NIPAM) organized a session on the "IPR Awareness Program" on 20th Jan. 2023.

Purpose of the workshop

To spread awareness about and its importance in Intellectual Property Rights, (IPR), Intellectual Property Rights, in short known as IPR, are rights that protect and provide exclusivity towards intangible creations of human intellect. Start-ups, to protect their interests, must protect and defend their ideas and products and that can be achieved only through Intellectual Property Rights.

Every Start-up, during the process of its inception, comes up with an idea, a pitch, design of its product and/ or services, how it works and how to enter the market. Every Start-up will face a major hurdle i.e., competition.

Expert for the Session:

The session will be headed by Expert Speaker Mr. Shubhanshu Gautam (Examiner of Patents & Design, Govt. of India, Mumbai)

Mr. Shubhanshu Gautam, Examiner of Patents & Designs, Office of Controller General of Patents Designs Trade Marks & Geographic Indications, Mumbai served as the resource person for this session. He discussed the legal protections that exist for creators and owners of original works, such as inventions, literary and artistic creations, and symbols and designs used in commerce.

He further discussed various types of IPRs namely patents, trademarks, copyrights, GI tags and more, by giving appropriate examples and distinctions.

Outcome of the Workshop.

Through this session the participant gets details to understand the importance of IPR and its process. The session contains the following topics:

- Intellectual Property Rights (IPRs) - An Introduction with need of its protection
- Procedure of Patent filing, Commercialization of patents
- Patent System in India and IPR Acts in India.
- One product and many IP rights.

Mr. Dheeraj Kumar Singh starts the session with what is the need of such session? He said, for protecting the innovation the foundational awareness regarding the Intellectual Property Rights and patent process must be known to students and participants. The webinar ended with a question-and-answer session relating to Intellectual Property Rights issues. All the participants participated in the webinar with great enthusiasm.

Around 102 **participants** including students and faculties joined the session offline.
